

Broomhill & Thornwood Area Parking Controls and Traffic Measures

1. Introduction

Glasgow City Council are proposing parking controls in the Broomhill & Thornwood area of the city, to support the policies outlined in the [Glasgow Transport Strategy](#). The Strategy aims to prioritise resident parking and deliver the transition to a net zero carbon, clean and sustainable city. It also aims to deliver the city's target to reduce car vehicle kilometres by at least 30% by 2030.

As part of the proposals to introduce parking controls in the area, the Council have committed to carry out a community engagement to gather your views on the proposals.

The purpose of this survey is to allow the Council to obtain feedback on the proposals and to try to rectify key issues, prior to carrying out a statutory consultation associated with a Traffic Regulation Order.

We would welcome the views of the Broomhill & Thornwood residents, business owners and visitors to the area on the proposals.

- o 1st Floor, Exchange House, 231 George Street, G1 1QU
- o ParkingServices@glasgow.gov.uk

OFFICIAL

The survey will take approximately 5 minutes to complete.

The deadline for completing this survey is Sunday 4th January 2026.

We undertake consultation and engagement with the public to give respondents the opportunity to give us their views and opinions, which help shape the policies we make and the services we deliver. However, the Council will not tolerate the use of abusive or obscene language, and these comments/views will be disregarded and not included as part of the response.

GDPR

Glasgow City Council is now required to process personal information in line with the General Data Protection Regulation (GDPR). For more information about this please visit [here](#).

Alternative Formats

This information can be made available in a variety of alternate formats and community languages on request. If you would like more information about this or would like to request an alternative format or language, please contact NRSPIMU@glasgow.gov.uk

6. PROPOSALS

Parking Availability

All questions in this survey are about the area in the map below.

10. How easy or difficult is it to find a parking space near your destination or home during the following times?

	Very easy	Fairly easy	Neither easy nor difficult	Fairly difficult	Very difficult	No opinion/Don't know
In the morning (6am to 9am)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
During the day (after 9am and before 3pm)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In the evening (after 3pm and until 9pm)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
At night (after 9pm and until 6am the following day)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

7. PROPOSALS

Non-resident parking

You indicated that you, or people visiting you or working for you, have experienced some difficulty finding parking space in the area **in the morning**.

Indiscriminate parking can occur in residential neighbourhoods when others use these areas as free parking spaces, leaving residents without accessible parking options.

11. To what extent do you agree or disagree with the statement below?

Non-resident parking in the area in the morning makes it difficult to find a parking space.

Please only complete this question if you answered "Fairly difficult" or "Very difficult" to the "In the morning (6am to 9am)" row in Q10.

- ☐ Strongly agree
- ☐ Tend to agree
- ☐ Neither agree nor disagree
- ☐ Tend to disagree
- ☐ Strongly disagree
- ☐ No opinion/not sure

14. ADDITIONAL INFORMATION

PAVEMENT PARKING

The Transport (Scotland) Act 2019 bans pavement parking, double parking and parking at dropped kerbs, with certain exemptions designated by local authorities, for example to ensure safe access for emergency vehicles. The Pavement parking ban was introduced in Scotland to improve pedestrian safety and accessibility, especially for vulnerable individuals like those with mobility issues or pushing prams. The ban aims to prevent pedestrians from being forced onto roads due to cars parked on the pavement, and to ensure that pavements and roads are accessible for everyone.

The Council recognises that this does offer challenges in some areas of Glasgow. As part of the Controlled Parking process we are assessing if exemptions can be applied in areas where there is a parking need.

In general, an exemption can only be provided where one of two criteria are met:

- its layout or character would allow for a width of 1.5 metres of the footway to remain unobstructed when any part of a vehicle is parked on it, or
- the layout or character of the carriageway associated with the footway is such that the passage of an emergency vehicle would be impeded by the presence of a vehicle parked on the carriageway.

For further information on footway parking, please visit the council webpage via the link below:

www.glasgow.gov.uk/article/7984/Pavement-Parking-Prohibitions

16. ADDITIONAL INFORMATION

ELECTRIC VEHICLES – CHARGING POINTS AND DEDICATED PARKING BAYS

Glasgow City Council is currently building a network of charging points for electric vehicles across the city. The use of electric vehicles can help reduce local air pollution and CO2 emissions. Electric vehicle (EV) registrations are rising in Glasgow and the Council continues to receive requests from residents to introduce electric vehicle charging points (EVCPs) in its streets, particularly from residents without the ability to charge off-street.

As part of this consultation, whether you own an electric vehicle or are considering getting one, we want to hear from you. Depending on the feedback received from residents, EVCPs may be implemented in your area.

For further information on electric vehicles and existing charging point locations, please visit the council webpage via the link below:

CYCLE SHELTERS – SECURE CYCLE STORAGE

The introduction of cycle shelters is part of the council's work to promote healthy and green travel options. Operated by Cyclehoop, cycle shelters offer secure and convenient cycle storage for **£7 per month** and can only be accessed by Members using a key. In accordance with Policy 50 of the Glasgow Transport Strategy, most shelters will repurpose approximately half a car parking space and can store up to six bicycles.

38. Do you own or regularly use a bicycle?

- ☐ Yes, I own a bicycle
- ☐ Yes, I regularly use a bicycle
- ☐ No, but I am planning to purchase a bicycle

21. ADDITIONAL INFORMATION

CAR CLUBS

Car clubs offer instant access to cars in your local area without the need for you to own a car yourself. By signing up for an annual membership you only need to pay as you drive. They can be a cheaper alternative to a second car and are also suitable for those who don't drive very often, but who still need access to a car for some journeys.

Club cars are, on average, newer than the average UK car, which means they are safer and more comfortable to drive, emit 43% less carbon dioxide from tailpipe emissions, and there are often electric vehicle choices available. They also have the added benefit of freeing up car spaces as in 2023, on average, each car club vehicle in Scotland replaced around 11 private cars.

There are currently three car club bays proposed following feedback from our current car club operator. The car club operators preferred car club bays are proposed at the following locations:

- o Thornwood Drive, east side, south of Kennoway Lane
- o Apsley Street, east side, north of Dumbarton Road
- o Crow Road, northeast side, southeast of Marlborough Avenue

If you are interested in having a Car Club bay installed near you, please let us know. Depending on the feedback received from residents, further Car Club bays may be implemented in your area.

Would you be interested in using a car club vehicle?

- ☐ Yes
- ☐ No
- ☐ Maybe

For further information on the car club locations, please visit the council webpage via the link below: <https://www.glasgow.gov.uk/carclub>
